

Your FPC Membership: Shaping the Future of Faster Payments 2025 Highlights

Community

"Being part of the U.S. Faster Payments Council gives us unparalleled visibility into the full spectrum of industry perspectives and connections, helping us shape strategy and drive innovation."

– Tony Cook
Executive Vice President of Operations
FirstBank

 **200+** Members 
driving forward the mission of ubiquitous faster payments

13 FPC Work Groups: Aligned for Impact

FPC Work Groups are structured to accelerate the adoption of instant payments by leveraging member expertise to advance our strategic priorities: Reach, Experience, and Trust. These groups solve real-world problems and deliver measurable outcomes, continuously adapting to ecosystem changes.

Business Benefits of B2B Instant Payments	Exception Resolution for Account-Based Payments*	Operational Considerations for Instant & Immediate Payments
Cross-Border Payments	Directory Models	Education & Awareness
Financial Inclusion	Instant Payments Data Optimization*	Real-Time Recurring
QR Code Interface	Fraud	Digital Assets in the Financial Industry
	Secure Instant & Immediate Payment APIs	*New in 2025

"The FPC brings together a broad group of stakeholders for honest dialogue and real problem solving in a unique way. It's a community of movers and shakers driving change and defining the future of the payments industry."

– Greg Lloyd
Senior Client Partner
Endava
