

VALUE OF MEMBERSHIP

The U.S. Faster Payments Council (FPC) envisions a world-class payment system where every person and organization can safely and securely pay anyone, anywhere, at any time with near-immediate funds availability. We don't just advocate for this future; we actively build it by bringing together a diverse mix of voices from across the entire payments ecosystem. When your organization joins the FPC, you gain direct value through three core pillars:

Influence

Access

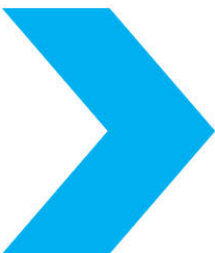

Trust

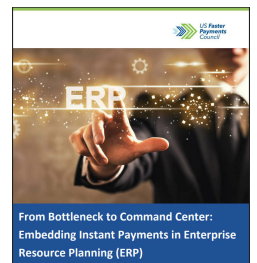

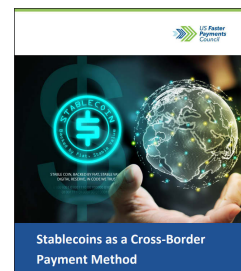

INFLUENCE

Secure your seat at the table. Your organization will directly shape industry frameworks, collaborate on critical work groups, and contribute to diverse perspectives that guide the future of faster payments.

Don't just adapt to the new payments paradigm. Author it.

Every stakeholder segment in the FPC holds equal voting rights. Whether you are a top-tier bank, an emerging fintech, or a corporate end-user, your membership buys direct, democratic influence over the standards and interoperability shaping the multi-trillion U.S. transaction landscape.

The Tangible ROI: Steering the industry's direction today to influence the payments system of tomorrow.

ACCESS

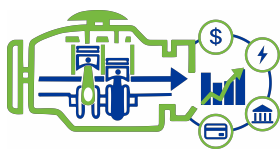

Connect with an unparalleled network of industry leaders, innovators, and decision-makers, while unlocking exclusive educational tools, on-demand courses, and technical resources for your entire team.

Accelerate your path to monetization and seamless implementation.

FPC Membership provides exclusive, unlimited access to proprietary implementation tools, ROI estimation engines, and deep-dive use case evaluations. We help your product and strategy teams shave months off your modernization timeline, transforming immediate payments from an operational expense into a strategic revenue driver.

The Tangible ROI: Drastically reducing external consultancy spend and accelerating time-to-market for instant payment products.

**Faster Payments
Value Engine**

Small institutions and end-users have a voice at the FPC. All stakeholder segments work together to make fair, inclusive decisions that benefit the overall industry.

TRUST

Align your brand with a secure, transparent, and collaborative environment. Together, we establish the shared standards and best practices necessary to build a dependable, world-class payments system.

Solve the industry's biggest friction points before they impact your bottom line.

When you join the FPC, your risk and operational teams gain immediate access to cross-industry intelligence, fraud-mitigation playbooks, and security frameworks developed shoulder-to-shoulder with the leading minds in tech, banking, and regulation. We build the collective defense so your institution can transact with certainty.

The Tangible ROI: Lower fraud loss rates and heightened customer trust by deploying proven, consensus-driven security best practices.
