

FPC 2023 Spring Member Meeting

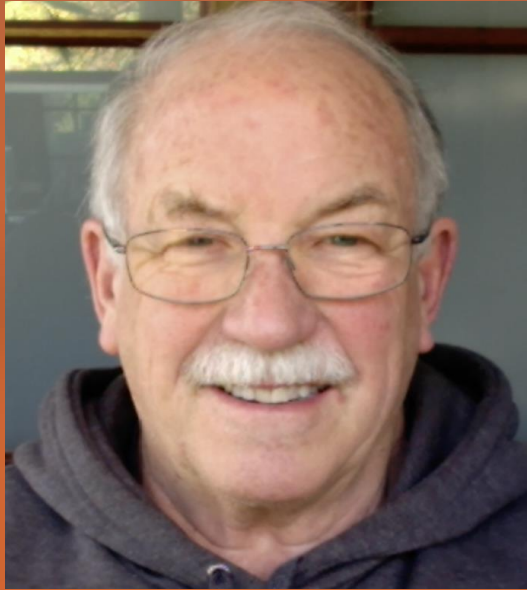

March 20 – 21, 2023  Kansas City, MO

Hands-on Looks at the Future of Real-time Payments

This panel of speakers will discuss how real-time payments are used in leading countries for deployment, including PIX in Brazil and PayNow in Singapore. Experiences in other countries will also be discussed, but the focus will be on how real-time payments were pushed (by monetary authorities and participants) into the payments mainstream (e.g., C2B) to better capture the benefits of digital and mobile transacting. Speakers have direct experience they will share.
